Open Tab – This option works best if you have a number of people in your party who do not drink. The bartender will keep an open tab throughout the party of all alcohol consumed. Upon settling the balance a 15% gratuity and Pennsylvania tax will be added to the total.

Cash Bar - This option will leave your guests responsible to pay and tip for each drink they consume at the bar.

- The minimum number for any of the above options is 30 people.
- If the amount of people consuming alcohol is less than the amount total in your party, we will provide you with bracelets for those that will be drinking. However, if we find that someone without a bracelet is consuming alcohol, we will charge you the total amount of guests attending the party. If more bracelets will be needed at the time of the function, we will gladly provide them to you. The necessary changes in price will be made.
